Equidistance: 2.5 m

Author: Rafał Podziński

Topicality: September 2021, ISSprOM 2019 symbols

Printing: digital print on synthetic paper, A3

## Uwagi do etapu

In Gdańsk Main and Old City most of control points will be attached to objects (to avoid stealing), please watch out for cords during the run. Competition is held during normal (but rather small on Sunday morning) car traffic. Busier roads are marked with symbol 709 as non passable. Please use marked cross points (710.1 symbol) only.

Also please do not cross areas marked with olive color. Sport outfit unlimited, but no metal stud shoes.

In case of rain, please watch out – some places might be slippery.

**Attention! Please make sure that your SI card has enough capacity, as the routes have many control points!**
